A Guide to Multi Ammrit Alkaline Drops

The Power of Ayurvedic Ingredients

Usage & Quality Assurance

Indicated for Acidity & Indigestion

Also used to help with hyperuricemia.

Simple Daily Dosage

Take 5-10 drops, twice or thrice a day, as directed.

Certified & Tested for Purity

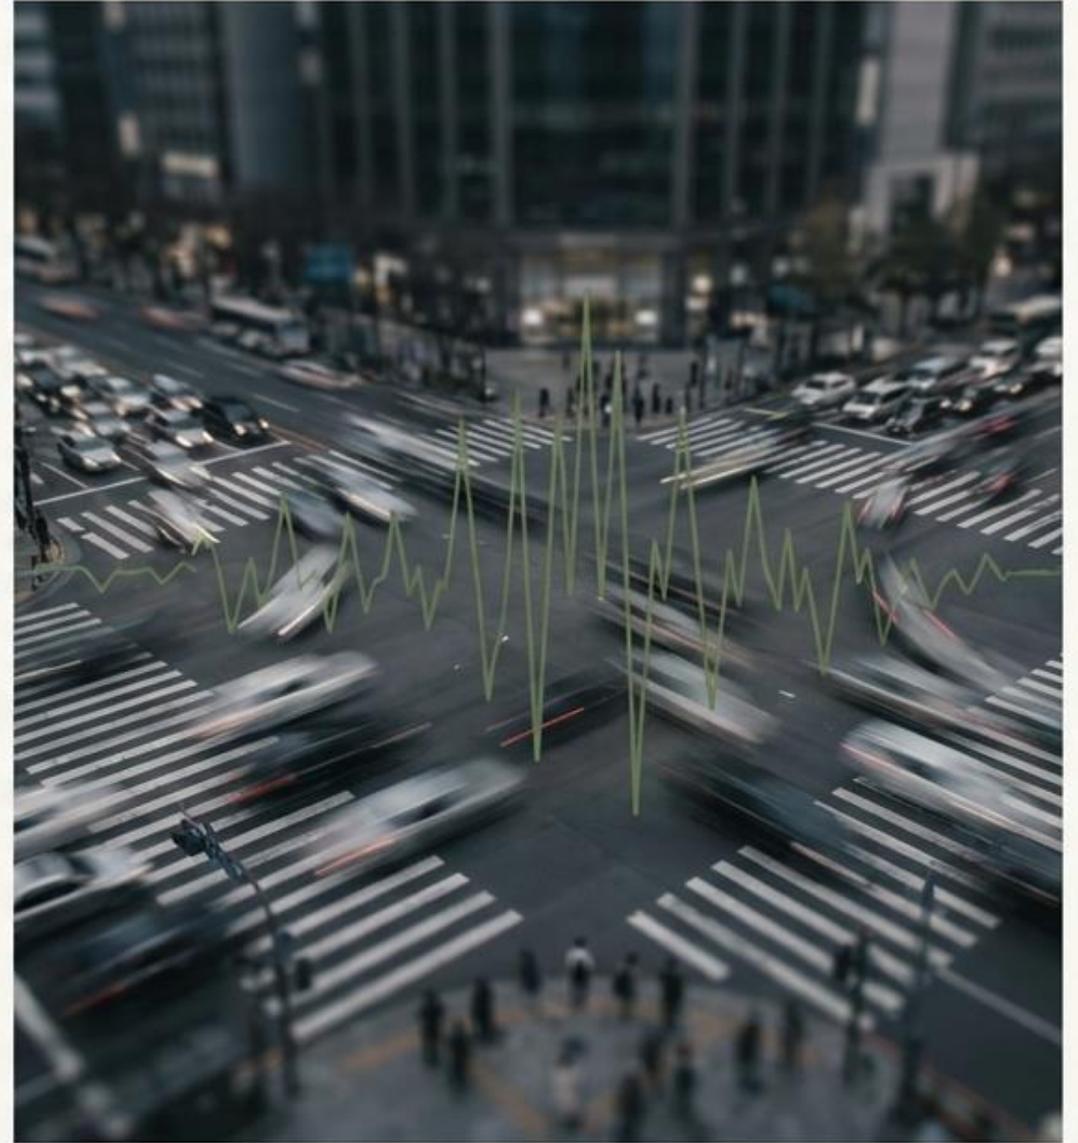

GMP Certified, ISO 9001:2015, Paraben-Free, and Made in India.

The Imbalance of Modern Life

Our contemporary lifestyle, with its unique pressures and dietary habits, can often disrupt the body's natural equilibrium. This can manifest as persistent discomforts that affect daily well-being, such as:

- Acidity
- Indigestion
- Hyperuricemia

Introducing a Natural Path to Balance: MultiAmmrit Alkaline Drops

An Ayurvedic proprietary medicine designed to help restore your body's natural harmony.

Formulated with an Ayurvedic Approach

Multi Ammrit Alkaline Drops is an Ayurvedic Proprietary Medicine. Each 10ml contains a precise composition of natural distillates, carefully selected for their traditional benefits and synergistic properties. This formulation is rooted in the principles of Ayurveda to address the **core indications of acidity and indigestion.**

AN AYURVEDIC PROPRIETARY MEDICINE

A Symphony of 10 Potent Natural Ingredients

The efficacy of Multi Ammrit is derived from a proprietary blend of ten powerful botanicals, each playing a crucial role in promoting holistic well-being.

The Core of the Formulation: Support and Control

Jau (Barley)
- Supports cholesterol management.

Green Tea
- Aids in weight control.

Pumpkin
- Boosts immunity.

Cucumber
- Helps hydrate the body.

Harnessing Nature for Vitality and Digestion

Grape

- Promotes heart health.

Ginger

- Aids digestion.

Sehjan (Moringa)

- Boosts immune system.

Ram Tulsi

- Reduces stress.

Rich in Antioxidants for Cellular Health

Nimbu (Lemon)

- Rich in antioxidants.

Apricot

- Promotes healthy skin.

The Science of Purity: Independently Verified

We believe in complete transparency. Every batch of Multi Ammrut Alkaline Drops is subjected to rigorous testing by an accredited third-party laboratory. The results confirm its purity and safety.

Microbial Contaminants

Well within safe limits.
Total Bacterial Count: 230 cfu/ml (Limit: 100000 cfu/ml).

Certified Free from Heavy Metals

Tested for Lead (Pb), Mercury (Hg), Arsenic (As), and Cadmium (Cd). All results were Below Limit of Quantification (BLQ).

No Harmful Pesticides

Screened for a comprehensive list of Organophosphorus and Organochlorine pesticides. All results were Below Limit of Quantification (BLQ).

Free from Aflatoxins

Tested and found to be Below Limit of Quantification (BLQ) for crop contaminants like Aflatoxin B1, B2, G1, and G2.

Full Transparency: Certificate of Analysis

For your detailed review, we provide the unabridged test reports from Delhi Analytical Research Laboratory, a recognised Ayush Certified Laboratory. (Report No. 820250620AY001)
